The main-level primary suite offers an elegant retreat with dual vanities separated by a built-in upholstered bench, a spa-like walk-in shower with bench, private water closet, and a custom walk-in closet with organizers. Two additional guest bedrooms and a well-appointed hall bath provide comfort for family and friends, while French doors open to a private office for working from home. Even the laundry room has been elevated into a cheerful, functional space. Upstairs, a spacious loft family room provides privacy for guests, along with a fourth bedroom, and well appointed full bath.
