Former Model Home in Sought-After Kingsbrook!

Spacious 4BR, 3.5BA former model home loaded with builder upgrades! This home offers a traditional floor plan with plenty of natural light, seven skylights, and a brand-new roof. The large eat-in kitchen opens to a bright solarium with Palladian windows and a family room featuring a wood-burning fireplace. Step out to the deck and quiet, fenced yard—perfect for relaxing or entertaining.

Upstairs, the primary suite impresses with a fireplace, two walk-in closets, and a potentially luxurious bath with jetted tub and separate shower. Three additional bedrooms and a shared bath provide generous space for family or guests. A private main-level office is ideal for remote work. The finished basement includes a full bath, offering endless possibilities for a rec room, guest area, or gym.

While the home is in need of cosmetic updates (paint, flooring, kitchen, and bath renovations), it's full of potential and ready for your personal touch.
