Welcome to 10640 Enfield Rd., a beautifully crafted barndominium-style home by National Home Services, offering modern, single-level living on a private 1+ acre lot in Felton.

Thoughtfully designed for comfort, efficiency, and low-maintenance living, this home features the signature clean lines and durable metal construction these barndo homes are known for.

Step inside to an inviting open-concept layout with 3 spacious bedrooms, 2 full bathrooms, and a bright living space that blends everyday functionality with easy entertaining. The kitchen shines with granite countertops, soft-close cabinetry, stainless steel appliances, and a large center island that anchors the room. The owner's suite offers a walk-in closet and a well-finished private bath.

A full-length front porch with recessed lighting adds charming curb appeal and a perfect place to unwind. The exterior continues to impress with exceptional parking, including a large parking pad ideal for an RV, trailers, or multiple vehicles.

What truly sets this property apart is the oversized 1-car detached garage—a standout feature rarely found in homes at this price point. Set on a beautiful stone foundation and built to match the home's barndominium style, the garage features soaring ceilings and space for even the largest vehicles. Above it,

youâ€™ll find a newly built second floor offering over 600 sq. ft. of pre-wired, ready-to-finish space. The possibilities here are endless: create a man cave, private office, playroom, in-law suite, guest apartment, or a separate living area for extended family. It could even serve as the perfect setup for a home-based business.

Additional perks include an all-electric layout ideal for energy-conscious buyers or future solar use, a peaceful and private setting, and room for future outbuildings if desired.

A truly versatile property with unmatched potentialâ€”move-in ready and waiting for its next owner. Let this be the barndo that fits your lifestyle now and still grows with you over time.
